

Fourth Grade Supply List

Welcome to Fourth Grade at Caughtlin Ranch Elementary School!

All fourth-grade teachers are requesting \$75 to purchase school supplies for students. We have found buying the supplies in bulk to be cost effective and also ensures all students start with the same supplies. **You can send in the money for the supplies on the first day of school or in two increments both due by 9/9. If the monetary amount is a hardship at this time, please speak to your child's teacher.**

***Please make all checks out to Caughtlin Ranch Elementary.**

The classroom fee will cover the following

- All supplies for students
- Art lessons
- Holiday gifts
- Mother's Day gift
- End of year activity
- Classroom subscriptions
- Digital subscriptions

Parents do not need to purchase any additional supplies for students. All that is required is the \$75 fee. We hope this relieves any stress of shopping for school supplies for the upcoming year.
